

On the morning of January 21, 2025, **every user** received an email from noreply@tpcworkforce.com (please check your junk folder if it is not in your inbox). **It is mandatory that each user follow these steps.**

Within the email will be the Link to Fusion and your username (which is your email address)

Click on your link to Fusion. Each user will be prompted to create an account by choosing a password. (Please do not change your email address, first or last name). (We recommend a password with a minimum of **7 characters** and a **good mixture of upper/lower case letters, numbers, and symbols**)

Create Account

We are updating the FUSION LMS login process to enhance security. To access your course, register your account. Use this new, secure login to access your courses and account going forward.
